

## Who gets the most listeners' votes?

Mulfingen, 24.02.2011

ebm-papst supports the "Radio Ton" citizens' action 2011, a campaign to support social and environmental projects.

Towns and villages in the transmission area of "Radio Ton" are invited to propose projects that serve a social purpose or which deal with the issue of environmental protection. Projects such as children's playgrounds and youth centres. Creativity is what is needed.

Between now and 10 June 2011, the listeners will decide who will be the winner of the prize money.
