1. SAFETY REGULATIONS AND NOTES

Please read these operating instructions carefully before starting to work with the device. Observe the following warnings to prevent malfunctions or physical damage to both property and people.

Product W4S200CI0401 is assembled in Australia and incorporates imported product A4S200AI0401.

For product drawing see Chapter 2.1 'Product drawing' of this document and Chapter 2.2 'Ancillary component data' for specifications of sub components.

For safety regulations and information, intended use, technical data, connection and start-up and maintenance, malfunctions, possible causes and remedies refer to operating instructions of A4S200AI0401.

These operating instructions are to be regarded as part of this device. If the device is sold or transferred, the operating instructions must accompany it.

These operating instructions may be duplicated and forwarded for information about potential dangers and their prevention.

Operating Instructions
