

## ebm-papst expanding Group Management Johannes Pfeffer appointed as new member

Mulfingen, 10.03.2020

Effective as of 1 April 2020, Johannes Pfeffer (52), who so far has served as spokesman of the management board of the subsidiary ebm-papst St. Georgen GmbH & Co.KG, will be part of the Management Board of the ebm-papst Group with its headquarters in Mulfingen.

In his new function, he will head and strategically develop diverse business segments of the technological specialist in fans and motors. With Johannes Pfeffer being appointed to this new position, Raymond Engelbrecht will now have sole responsibility for the management of ebm-papst St. Georgen.

Stefan Brandl, Chairman of the Management Board:

“In Johannes Pfeffer, the group management has gained a strong leadership personality. He will have an important role to play in achieving our growth targets and seeing our company focus through. Together with Mr. Engelbrecht, Mr. Pfeffer has done an excellent job in St. Georgen; his future-oriented approach has put the subsidiary and its plants in Lauf and Herbolzheim back on track for success.”

Dr. Ludger Laufenberg, chairman of the supervisory board of ebm-papst:

“The supervisory board of the ebm-papst Group wishes to express their gratitude to Mr. Johannes Pfeffer in view of his successful work with ebm-papst St. Georgen and welcomes his appointment to the Group Management Board. We wish him all the best in his pioneering tasks at group level.”

### **Vita Johannes Pfeffer**

Johannes Pfeffer studied physics at the Eberhard Karl university in Tübingen. In 1994, he started his professional career with the IT and metrology specialist Hewlett Packard. From 1999 to 2009, the graduate physicist, who also holds a degree in MBA from the Steinbeis Hochschule für Unternehmensführung/Steinbeis Graduate School of Management in Stuttgart, worked for the automotive supplier Behr in various management functions.

From 2009 to 2017, Johannes Pfeffer served as CEO for the Automation & Control division of the US-American automation specialist Belden. From 2018 to now, Pfeffer was spokesman of the Management Board with ebm-papst St. Georgen and was, among other things, responsible for the drive engineering and automotive division and held functional responsibility for Sales, Business Segment Development, Production and Development.

## About ebm-papst

The ebm-papst Group, a family-run company headquartered in Mulfingen, Germany, is the world's leading manufacturer of fans and motors. Since the technology company was founded in 1963, it has continuously set the global industry standard. With over 20,000 products in its range, ebm-papst provides the best energy-efficient, intelligent solution for virtually every ventilation or drive engineering task. In fiscal year 2018/19, industry leader ebm-papst generated revenues of 2.18 billion euros. It employs over 15,000 people at 28 production sites (e.g. in Germany, China and the US) and in 48 sales offices worldwide. Fans and motors from the world market leader are used in most industries, including ventilation, air conditioning and refrigeration, household appliances, heating, automotive and drive engineering.
